**RE: FINAL WORK PLAN GROUNDWATER REMEDIATION—SITE 10,
ALLEGANY BALLISTICS LABORATORY.
MINERAL COUNTY, WEST VIRGINIA. OHM PROJECT 18876.
DELIVERY ORDER NO. 0121, CONTRACT N62470-93-D-3032.**

Dear Ms. Hayes:

OHM Remediation Services Corp. has prepared for the Navy the enclosed Final Work Plan for Groundwater Remediation at Site 10, ABL. This document proposes the work scope to complete the installation of the interim groundwater remediation pumping system. Also enclosed with this submittal is a table summarizing our responses to the comments generated from the review of the draft workplan.

Should you require additional information, please contact me at (412) 963-2300, ext. 3231.

Sincerely,

Charles W. Magilson
Senior Project Manager
